I have contacted the council office to have street services remove the tree and clean up.

There is not much Chrysalis can do, but have sent them over to assess the situation.

good morning, Question, A city tree has fallen, it is not blocking the sidewalk. It has fallen between the sidewalk and the street, between Avenue 56 and 57 on the North side of Figueroa.

Should we ask Chrysalis to clear it away or wait for the city to get to it? The rain has probably caused many trees to branch to fall and I'm sure the city street services will be swamped by the rain. Should we call Chrysalis or wait for the city?
